Ford Cars, Ford Trucks Fordson Tractors

What could be more appreciated for a Christmas gift than a FORD car? We are in a position to sell you a FORD car, FORD one-ton truck (worm drive), or FORDSON tractor on monthly payments, or six month's time or nine month's time.

Our plan is no red tape plan. We don't ask you to get your friends to sign a note with you, or we don't ask you to put up any personal property as security. The FORD car itself is all the security we ask.

We also have another plan whereby you can place your order now and get your car in the spring when you are ready for it. All we ask is for you to let us explain our plan to you and we know we can arrange matters for you so you can afford to own a FORD car. Come in and investigate our plan and we know we can do business.

We sell FORD cars, FORD one-ton trucks and FORDSON tractors on this plan. Any man can afford to own a FORD one-ton truck and he can pay for it with what he can make with it hauling for his neighbors.

FORDSON tractors and implements are also included in this plan and no farmer can hardly afford to be without one of these tractors at what they cost him. See John VanAusdall with Crysler Motor Co., and let him explain this plan to you. All FORD products are now being sold under this plan.

MRS. D. M. RAY DEAD

Sadness came over our city Thursday morning with the news of the death of Mrs. Joe Anna Ray, wife of D. M. Ray, death occurring at 5:45 a. m.

Mrs. Ray was only sick a few days, death coming suddenly, the result of blood poisoning, due to a small finger cut. She was born January 12, 1866 at Union City, Tenn.

With her husband and family she came to Missouri in 1909 and has made her home in this city since that time, making many warm and affectionate friends. She has been a member of the M. E. Church for a number of years, being attentive to her duties in the church and took an active part in church affairs. She also was a worthy member of the Eastern Star, at all times having a hearty reverence for the noble order and her sisters.

At the time of her death the entire family was present, Mrs. Farrer Birdnow of Chaffee having arrived before her mother's death.

She leaves a devoted husband, three children, Willard and Warren, sons, and one daughter, Mrs. Farrer Birdnow of Chaffee, to mourn the loss of a true and loving mother. It is a severe loss to them as the entire family were much devoted to each other—a home of purity, of faith and love.

Funeral services were held at the Methodist church Friday morning at eleven o'clock, the services and farewell sermon being conducted by Rev. J. S. Newsom, the pastor of the beloved church. Interment was immediately had in the family lot in Woodlawn Cemetery, where the remains were laid to rest, and amid many pretty floral offerings, one among them being a garland of carnations by the school in courtesy to a student, Warren, the son of the departed mother. Many were the friends who paid respects to a true christian and mother.

"I did, pretty soon I found my cellar full. They ate my potatoes. After trying RAT-SNAP I got 5 dead rats. The rest later. They pass up the potatoes to eat RAT-SNAP." If there are rats around your place follow Mr. White's example. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Lefler's Drug Store and F. M. Perkins, Hayti, Mo.

Miss Josie Minnick left Tuesday night for a week's visit with her sister, Mrs. Louise Creely, and family, at St. Louis.
